

Dear Parents and Carers,

Thank you for choosing Cessnock Public School for your child's first year of formal schooling. This is an exciting moment in the life of our school and your family, and we can't wait to work with our parents and new students to smoothly transition to 'Big School' in 2022.

A completed enrolment form must be submitted to the office by Tuesday 16th November, to enable your child to attend orientation, as per COVID 19 guidelines.

In order to meet current DoE health guidelines and COVID-19 restrictions please see below for some important information.

- Only one fully vaccinated parent or carer is allowed on the school site
- Parent and carer will be required to check in using the school check-in code and show proof of vaccination status
- Traditionally, parents have stayed for information sessions, however parents are not allowed on site for longer than 10 minutes under current restriction. As restrictions change, we hope to hold a parent morning tea at session 3.
- If you or your child are displaying any flu like symptoms, you will be unable to enter the school grounds, as per DoE health guidelines. Please call the school if you are unable to attend any of transition sessions.

Session 1:

When: Thursday 18th November at 9.45am-11.00am

Where: Parents and children are to enter Cessnock Public School through the gate on Rawson St (near the corner of Brandis St). You will meet the kindergarten teachers for 2022 outside Cooida (Hall) at 9.45am and this is also where you will collect your child at 11.00am.

What to bring:

- Students can wear comfortable casual clothing and enclosed shoes,
- name badge (provided in learning pack),
- a drink bottle

Further transition sessions:

- **Session 2: Thursday 25th November at 9.45am-11.00am**
- **Session 3: Thursday 2nd December at 9.45am-11.00am**

We look forward to seeing you and your child at our great school on Thursday 18th November.
