ANZAC Day March – 2019

Dear Parent/Caregiver

The ANZAC Day March will be held in Cessnock on Thursday 25th April. Every year we participate in this National Day as a sign of recognition and remembrance for the sacrifices of our brave servicemen and women in the many theatres of war.

The march will begin at 11am and will be followed by a short memorial service at the Cenotaph located in the War Memorial Park directly behind the Coles plaza. At the conclusion of the service, approximately 12pm, parents are to collect their children from the War Memorial Park.

Students participating in the March are asked to meet Mr Clarke at the forecourt of the Cessnock Performing Arts Centre, dressed in neat, full school uniform, at 11am. Please note that as this event is not held on a school day, parents will need to remain at the march for its duration and collect their children at its conclusion.

Regards
Mr. Mathew Clarke
