TERM 2 WEEK 4

24TH MAY 2019

Important Dates

- **RoboCup, Mon, 27th May**
- **Rebecca Young Cup, Wed, 29th May**
- **PSSA Hunter Cross Country, Fri, 31st May**
- **Biggest Morning Tea, Thurs, 6th June**
- **Queen's Birthday holiday, Mon 10th June**

Dear families,

Welcome to week 5 of the term.

Week 4 was another great week at Cessnock Public and week 5 is full of more exciting learning opportunities. This will include:

Monday - Sport In Schools sessions, Stage 3 library, RoboCup at Cessnock High

Tuesday - Early stage 1 library, Primary Wellbeing lessons

Wednesday - Stage 2 library, Mindfulness, Rebecca Young Cup

Thursday - Stage 1 library, support class swimming

Friday – school sport

At the beginning of Term 1, 2 and 3 each school participates in a Staff Development Day (SDD) where the students do not attend school. Under normal circumstances this day is the first day of the school term, however next term staff at Cessnock Public will be participating in their Staff Development Day on the 19th August, which is the Monday of week 5. Students will not attend school on this day. They will however attend school on the first day of the term, being Monday, 22nd July. There will be further notes and information sent home regarding this in the coming weeks.

Last week in the Perfect Page, I mentioned that we would be holding a Biggest Morning Tea at the school. The date for this will now be Thursday the 6th June (week 6). The event will be held in the library (and surrounding areas) and will be from 8.30 – 9.30am. Further information will be sent home with students early next week and will also be posted on our website and Facebook page.

It has been great to see students in our primary classrooms participating in weekly wellbeing lessons with Miss Scott each Tuesday. Throughout this term Miss Scott will be working in all of our primary classes with a focus on a range of student wellbeing strategies. These

lessons have included important learning for our students, including resilience building strategies, de-escalation strategies and zones of regulation strategies. It has been wonderful to see the level of engagement during these lessons with Miss Scott as she brings her expertise in this area to our primary classrooms.

As our students grow up in an increasingly digital world, ensuring that our students and children are cyber safe is of great importance. Throughout each school year, our students are exposed to a wide range of e-safety lessons and programs, however ensuring that these lessons are carried through to all aspects of their “online lives”. There are a number of great resources not only for schools but also for families regarding online safety and some of the strategies that we can put in place to keep our young people safe online. This includes great websites such as www.esafety.gov.au/parents. Over the coming weeks we will be sending out information regarding this important topic.

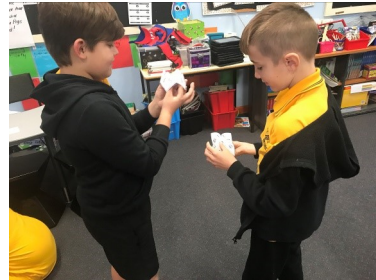

With the year moving ahead quickly as always, we are already taking enrolments for Kindergarten in 2020. With our Kinder transition and orientation programs commencing on Wednesday, 31st July, it is important that you contact the school as soon as possible if your child will be attending Kindergarten at CPS in 2020.

As always we will try to keep everyone up to date with what is happening around our wonderful school through our school website, Facebook Page and Skoolbag App.

Have a great week!

Steve Morgan

Young scientists from KB have started learning about living things and their needs. KB loved going on a big adventure outside in the playground to search for some living things using magnifying glasses.

Wellness with Miss Scott

3/6H doing great work during their TEN lesson!!

Everything you need to get sticking

Information Pack
Let's stick together with Earn & Learn
1 May to 25 June 2019

Download our digital assets

Need more sticker sheets or information? Please email: primary@learning.com.au or contact your Term 1 Coordinator, via learning@learning.com.au

In this information pack, you'll find everything you need to help your school earn a fantastic range of equipment. *'That's why I pick Woolies'*

Help us to earn some great sporting equipment by dropping your stickers into the school!

House Championship Points Update

Another great week of points scoring from all four houses, with Gordon extending their lead at the top of the leader board. Remember to keep an eye on the scoreboards in primary (just inside the primary building) and infants (on the side wall of the infants building, across from the 3-6H classroom).

The current totals are:

Gordon - 34740 Paterson - 29363

Lawson - 25921 Kendall - 23879

LOST PROPERTY

We have also accumulated a large quantity of lost property, including lunch boxes, hats, jackets and jumpers. If not claimed at the end of this term clothing will be either placed in our clothing pool or donated to charity.
